return your call.

Creative iPhone Photography

This is a thorough class where you'll learn the tools, techniques, and photography tips to create gorgeous iPhone photographs. You will not only learn the basic principles of great photography, you will also learn how to use some of the most powerful iPhone Photography apps on the market. Finally, what good are great photos if you can't share them? We will show you how to quickly and easily share your newly created masterpieces with your friends and family.

Wednesdays, Mar 6, 13, 20, Apr 3, 10, 17, 9:30 - 11:30 AM
(No Class on Mar 27)

Research Your Family Tree

Are you interested in learning more about your family history? If so, this class is for you! Join us to discover proper research techniques, learn tips and tricks to help you in your research journey and begin discovering your family roots. In this class you will learn how to use a Repository, discover how to Document your findings and lastly Organize your work to share your discoveries with family and friends.

Fridays, March 8, 15, April 5, 12, 19 9:30 - 11:30 AM
(No Class on Mar 22 & 29)

Get to Know Your Android

Have you recently purchased your first Android phone or perhaps recently upgraded to a new Android? This is an introductory course for users to become familiar with the basics of using their Android. You will learn how to set up, update and navigate your device, as well as how to use native apps, download new apps, and discover tips and tricks to help you feel at ease with your Android. *Bring your email address and password you used to setup your phone.*

Fridays, March 8, 15, April 5, 12, 19 12:30 - 2:30 PM
(No Class on Mar 22 & 29)
